

Healing Prayer
Release Agreement

This ministry is called *Healing Prayer*. It is not professional counseling. God has seen fit to work with and through others in moving His people towards greater freedom. It is therefore our expectation that He will use us to help you. But, we cannot promise results. We can only promise that we will do our best to work with God for your good and God's glory. We work with you only as you choose to work with us.

What usually happens in this type of ministry is that God brings a kind of "spurt" toward wholeness in each session. Seldom is this all that is necessary for a person to attain the complete freedom he/she and God desire. Often it is advisable for you to receive help from a professional counselor as well. *We strongly advise this.* It is also advisable for you to actively pursue the spiritual disciplines such as regular church attendance, prayer, Bible study, and worship along with this ministry.

We are committed to keep confidential whatever you share with us. We are, however, required by law to report to appropriate persons two kinds of things:

1. Any intent of a person to take harmful, dangerous, or criminal action against another person or against himself/herself, or
2. Any act of child or elder abuse.

If it appears that such a notification needs to be given, that intention will be shared with you first. In summary, we would like you to:

1. Understand and agree to the above.
2. Be expectant but not get angry or upset if all that you expect does not happen quickly.
3. Be patient with yourself, with us, and with God.
4. Be prayerful and open for growth and change under the guidance of the Holy Spirit.
5. Engage your will to work with the Holy Spirit and us to move toward what God wants for you.
6. Forgive us if we make mistakes, forgive yourself if you make mistakes, and forgive God if he doesn't do things the way you expect them to be done.

"The undersigned, on behalf of himself/herself, his/her heirs, executors, administrators and assigns, hereby fully releases and discharges Healing and Cleansing Prayer Ministers, and its successors and assigns, from any liability, rights, claims, actions and damages for any connection with intensive prayer ministry services provided."
